# Description

EN
Just arrived at Morgan Marine, this well presented 2007 Bayliner 285 Ciera offers comfortable cruising, practical accommodation and strong performance, making it an ideal choice for weekends away or extended time on the water. Powered by a MerCruiser 350 MAG MPI V8 petrol inboard engine paired with twin bladed stainless steel propellers, this popular sports cruiser delivers smooth, reliable power and responsive handling. Manoeuvring and anchoring are made easy thanks to the Lewmar electric windlass, while electric trim tabs help optimise performance and ride comfort in varying sea conditions. The cockpit is designed for relaxation and entertaining, featuring large amounts of cockpit seating beneath a dark blue enclosed canopy, providing excellent protection from the elements and extending usability throughout the season. At the helm you'll find a Raymarine Dragonfly 7 Pro chart plotter for navigation and a NorthStar Explorer 710 VHF radio for communication and safety on the water. Below deck, the Bayliner 285 Ciera offers impressive accommodation for a boat of this size, with six berths arranged around a comfortable saloon seating area with table. The spacious galley is well equipped with a sink, electric hob, fridge and ample storage, making it ideal for preparing meals while onboard. The separate toilet compartment includes a marine toilet, sink and shower, providing convenient facilities for longer stays aboard. To enhance onboard comfort in all seasons, the boat is also fitted with reverse cycle air conditioning, allowing both cooling and heating when required. Combining practical family accommodation, capable performance and a well equipped specification, this 2007 Bayliner 285 Ciera represents a fantastic opportunity for anyone looking to step into comfortable coastal cruising. Contact Morgan Marine today for early viewings!

Deck: GRP hull with blue stripe. Dark blue enclosed canopy. Lewmar electric windlass with anchor, chain and rope with helm and bow control. Bow roller. Bathing platform with boarding ladder. Fenders and lines. Stainless Steel bow rails. Mooring cleats. Fender baskets.

Cabin: Steps down into saloon area. Forward main large double berth with mattress, hatch to deck and portholes. Port side aft cabin which runs below helm position with large double berth with mattress. Saloon starboard side dinette with 2 cushioned bench seats with backrest, table, and cup holders. Dinette converts to a further double berth. Large amount of storage space. Galley to port side with Stainless Steel sink and mixer tap, Origo electric hob, microwave oven, 12v fridge and storage. Starboard side toilet compartment with electric sea toilet, wash basin, mirror, storage and shower. Interior curtains. Cream leather upholstery. Teak effect on galley floor. TV in saloon area.

Cockpit: Large wrap around windscreen. Steps up to windscreen with walk through windscreen. Electric single windscreen wiper. Lift up hatch to saloon. Helm position to starboard side with engine controls, steering wheel and throttle controls. Danforth compass. Rear cockpit bench style cushioned seating with backrest. Cockpit port side L shaped sun lounger with flip backrest. Cockpit table. Lots of storage.

Electronics: Raymarine Dragonfly 7 Pro chart plotter. NorthStar VHF explorer 710. Navigation lights. Jenson C/D player with control at helm. Faria depth gauge. Shore power with inverter and battery charger. Anchor light. Manual and automatic bilge pump. Engine gauges ( fuel, temperature, oil pressure, voltage, rev, MPH, and trim). 2x Batteries. Remote spotlight. Control switch panel. Horn. Immersion heater. USB socket.

Machinery: Mercruiser 350 MAG MPI V8 petrol inboard engine with duo prop with twin bladed stainless steel propellers. Electric trim tabs. Bow thruster with remote control. Reverse cycle air conditioning. Fuel capacity - 386 litres. Water capacity - 125 Litres. Holding tank - 75 litres.
