Mirror  
Skylight  
Stainless Steel opening porthole(s) with flyscreen  
Vanity unit with pedestal washbasin(s)

#### Forward Stateroom

Access to en suite shower room/heads  
Bedside stowage  
Built-in security safe  
CD/Radio  
LED ceiling lights  
Kingsize double bed with interior sprung mattress  
Large hatch with flyscreen and concealed blinds to foredeck  
LCD television 13"  
Mid-level port and starboard lockers  
Mirror  
Reading lights  
Stainless Steel opening porthole(s) with flyscreen  
Wardrobe(s)

#### Freshwater System

Automatic, pressurised supply with manual 'OFF' override switch at lower helm  
Calorifier hot water system  
Shore power immersion heater 2kW 240v - Water tanks

#### Fuel System

Fuel filler splash stop and anti-foaming device  
Fuel sight gauges  
High capacity water separators and fuel filters with audible alarms at lower helm  
Individual fillers and vents to port and starboard  
Integrated cross-over fuel system  
Marine grade alloy fuel tanks x 2  
Self-balancing fuel filling system

#### Galley

Crockery stowage  
Cutlery drawer  
Dedicated freezer below countertop  
Dedicated refrigerator below countertop  
Dishwasher  
Electric ceramic/halogen hob (4 burner)  
Microwave-oven  
Extractor fan  
LED ceiling lights  
Lacquered cupboard doors  
Open-plan galley with powered screen  
Sinks x 2 with hot and cold mixer tap  
Teak and Holly floor  
Trash compactor  
Worktop lights

#### Hullform and Construction

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings  
Bowthruster (hydraulic) 25hp  
Deep V forward; 18deg deadrise aft- Designed by Bernard Olesinski and the Fairline design team

Full length moulded spray deflector  
Hull/deck join bolted and bonded  
Integrally moulded engine bearers  
Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat  
The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation -The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings  
The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle  
Transverse and longitudinal strengthening stringers throughout hull

#### Hydraulic System

Centralised hydraulic system (garage door rams/tender winch/passerelle/transom door/bowthruster and windlass)

#### Main Helm Position

12v socket  
Access from helm to deck via 2 electrically locking side doors  
Adjustable air conditioning vents  
Adjustable tilt steering wheel  
Bilge pump switches with integral operating warning lights and audible alarms  
Bowthruster controls  
Centralised vacuum cleaning system for lower and upper decks- Chart stowage  
Chartable and light- Controls far engine bay fire extinguisher system  
Domestic water management system  
Drinks holders  
Echosounder and speedometer/distance log repeater with sea water temperature read out  
Electronic single-lever throttle and gear controls  
Engine diagnostic system - 2 New Raymarine Monitors  
Foghorn with siren and loudhailer facility  
Full engine instrumentation including; tachometers, oil pressure gauges, temperature gauges and battery condition indicators, audible alarms and engine hour meters  
GPS/radar/chartplotter interfaced with autopilot  
Helm position indicator  
High speed magnetic compass  
Powered steering  
Red night-light illumination to helm  
Remote anchor winch controls  
Searchlight controls  
Teak and Holly floor  
Trim tab controls  
Twin independent Recaro helm and co-pilot seats with electric adjustment  
VHF Radio telephone incorporating intercom to upper helm

#### Main Saloon

Drinks cabinet complete with crystal glasses  
Full-height standing headroom  
LED ceiling lights  
Luxurious saloon appointments including 30" LCD television and state-of-the-art Bose surround sound DVD/CD/Radio built into a tailor-made entertainment centre  
Overhead handrail  
Reading chair(s) (new upholstery)  
Sideboard with icemaker  
Sofa (new upholstery)  
Table lamps  
Wall-mounted bar unit

#### Master En Suite Bathroom

220v/240v shaving point  
Bidet  
Extractor fan

Freshwater vacuum flush toilets (new pumps)  
Full set of bathroom fittings  
Full standing height shower stalls with solid teak gratings and hinged glass door  
LED ceiling lights  
Large walk-in shower with solid teak gratings and body-jets  
Mirror  
Twin portrait portholes with flyscreen  
Vanity unit with twin pedestal glass washbasins

#### Master En Suite Dressing Room

Built-in security safe  
LED ceiling lights  
Hanging rails and drawers to optimise space  
Mirror

#### Master Stateroom

Access to en suite shower room/heads  
Bedside stowage  
Drawer(s) under bed  
Full width Master Stateroom with triple portrait portholes port and starboard  
Full-height standing headroom  
LED ceiling lights  
Home Cinema Surround Sound CD/Radio/DVD  
Kingsize double bed with interior sprung mattress  
LCD television 15"  
Mirror  
Reading lights  
Recessed bookshelves  
Sofa (new upholstery)  
Twin bedside tables  
Vanity unit/bureau with chair, 240v power, telephone and inverter points

#### Port Guest Cabin

Access to en suite shower room/heads  
Bedside stowage  
CD/Radio  
Drawer(s) under bed  
Full length berths x 2 with interior sprung mattresses  
LED ceiling lights  
LCD television 13"  
Lockers (mid-level)  
Mirror  
Reading lights  
Stainless Steel opening porthole(s) with flyscreen  
Wardrobe(s)

#### Port Helm Station

Granite counter  
Extending chart table  
Helm extension for additional equipment installations  
Seat base stowage  
Timber flooring

#### Standard Specification

Access to port and starboard side decks from lower helm  
Adjustable/Tilt steering wheel  
Aft cockpit enclosure covers  
Air conditioning/reverse cycle heating system to main accommodation  
Anchor winch (hydraulic)  
Bose DVD/CD/Radio home cinema surround sound system to saloon  
Bowthruster 25hp  
Calibrated anchor chain  
Dining table with Burr Elm features  
Dripless shaft seals  
Dual station VHF Radio telephone incorporating intercom between lower and upper helms

Echosounder and speedometer/distance log with sea water temperature read out  
 Electrically adjusted backrest dining seating/sunbed  
 Electro-hydraulic trim tabs with cathodic protection  
 Full width Master Stateroom with triple portrait portholes port and starboard  
 Fully equipped flybridge bar  
 Glendinning cable masters  
 GPS/radar/chartplotter interfaced with autopilot  
 Hot and cold water transom shower  
 Large walk-in shower with body jets  
 LCD televisions in saloon and all main cabins  
 Onan generator 2 x 17.5kW  
 Open-plan galley with powered screen Remote control searchlight Remote control, concealed, telescopic hydraulic passerelle  
 Repeat flybridge engine instrumentation, controls and electronics  
 Self-stowing through-hull Delta anchor  
 Sideboard with icemaker  
 Stainless Steel pantograph windscreen wipers  
 Teak-laid bathing platform  
 Teak-laid bulwarks  
 Teak-laid floor throughout self-draining cockpit  
 Teak-laid oversize flybridge steps  
 Twin independent Recaro helm and co-pilot seats with electric adjustment

#### Starboard Guest Cabin

Bedside stowage  
 CD/Radio  
 Drawer(s) under bed  
 Full length berths x 2 with interior sprung mattresses  
 LED ceiling lights  
 LCD television 13"  
 Lockers (mid-level)  
 Mirror  
 Reading lights  
 Stainless Steel opening porthole(s) with flyscreen  
 Wardrobe(s)

#### Waste Water System

Automatic tank discharge with manual override  
 Holding tank for aft cabin (8 gallon/10 US gallon 37L capacity)  
 Holding tanks x 2(85 gallon/100 US gallon (385L) total capacity)

### General information
