Description

EN

Introducing the 2023 Highfield Sport 560, now available at Morgan Marine, equipped with a reliable Honda BF100 XRTU outboard and a durable Indespension 7 trailer package. This virtually new vessel boasts only around 30 hours on the clock, offering exceptional performance and handling thanks to its innovative aluminium hull design. In our opinion, it stands out as the best 5.6-meter RIB on the market, delivering the exhilarating ride and control youd expect from a larger craft. Its spacious layout provides extensive storage and seating, making it feel more like a 6 or 7-meter boat. The Sport 560 is thoughtfully equipped with premium features including an upgraded Garmin 95cv chart plotter, VHF radio, Fusion audio system, a sturdy console, swim platform, A-frame, front sun deck cushions, PVC tubes, and stylish black and grey EVA decking. The aluminium hull’s impermeable qualities mean you can enjoy worry-free adventures without concerns about gel coat chips or damage from launching on a trailer or beach. Contact Morgan Marine today to arrange an early viewing and experience this exceptional vessel first hand.

Cabin: N/A

Cockpit: SUS800 Console with forward seat. Bolster bench fold up seating with pilot and co-pilot seating. Stern bench style seating with storage. A-frame.

Electronics: Garmin 95cv chart plotter. Garmin VHF radio. Honda digital display. Fusion audio with speakers and aerial. Navigation lights. Anchor light. 12v socket. Switch panel. Isolator switch.

Machinery: Honda BF100 XRTU outboard with power trim and tilt and hydraulic steering system. Internal under-deck fuel tanks. Fuel capacity: 105L.

Trailer: Indespension 7 roller trailer with jockey wheel, winch, hitch and lightboard. NB - the road trailer may not be in serviceable road worthy condition. It is recommended the buyer should inspect and service accordingly prior to use on public roads.
