# Description

EN
The Holton 24 is a very popular vessel with inshore fisherman, the wide beam and deep bilges maximises the boats load carrying capacity and provides enhanced stability along with a fine entry and excellent displacement. With its self-draining decks and excellent working areas plus a high sheer line make the Holton 24 the perfect work boat. Powered by a Volvo Penta MD22 four-cylinder diesel engine just in at Morgan Marine. With a good array of electronics including Garmin GPS Map 750, Garmin Echomap 550c, Raymarine Autopilot, Raymarine C70 plotter and Garmin VHF radio. For more information and viewing please give us a call.
