Description

EN

2022 Jeanneau Merry Fisher 795 Series 2 at Morgan Marine. With a comprehensive and well detailed specification. Powered by a thrilling Yamaha F200 outboard with only 55 hours, this model offers an exhilarating ride and smooth handling — ideal for coastal cruising, day trips, or extended adventures. Lovingly maintained by her current owner, this boat has been upgraded with an impressive array of premium features, with no expense spared. Notable enhancements include a copper-coated hull for long-term protection, a bow thruster for precise manoeuvring, and an electric windlass for hassle-free anchoring. A diesel heater ensures year-round comfort, while a Raymarine 12-inch plotter with AIS, YachtSense router, and rear-facing augmented reality camera provide cutting-edge navigation and safety. Entertainment and comfort are equally well-covered, thanks to the Fusion Apollo MS-RA670 sound system, Lenco trim tabs for optimized handling, and extended swim platforms for easy access to the water. This is a rare opportunity to own a fully loaded, lightly used Merry Fisher 795 Series 2 with features typically found on much larger vessels. Early viewing is highly recommended — a boat of this calibre won't stay on the market for long. Cabin:Forward cabin with double berth, hatch to deck, storage and overhead light. Double berth complement in saloon. Wheelhouse interior curtains + cabin separation curtain. Separate toilet compartment with marine toilet (with holding tank), shower, washbasin + pressurised water (Hot and cold water) and opening portholes.

Cockpit:Wheelhouse with aft sliding door, roof hatch and sliding windows on port and starboard sides. Large glass windscreen with port and starboard windscreen wipers + screen wash. Helm position with bolster pilot seat, dash with full engine controls, electronics and compass. Helm seat folds forward for easy access to starboard side luxury galley - with gas hob + gas box, worktop with Arpa black finish, 2x stainless steel glass holders, 40L fridge and sink with electric pressurised water. Port side saloon with table + lockers under seats. Forward facing co-pilot bench seat - converts to seating at table.

Electronics:Raymarine Axiom Pro 12 inch chart plotter. Transducer with down vision, side vision and 3D pilot. AIS. Raymarine Yachtsense router (on-board 4G WIFI). Raymarine rear facing augmented camera with AIS overlay. Fusion Apollo MS-RA670 (with separate battery). Fusion amplifier and 4x LEF speakers within cabin and aft area. Raymarine Radar. Raymarine VHF. Compass. Victron battery monitor / protection. 220v shore power socket + battery charger. Wheelhouse light + cabin light. Navigation lights. Anchor light.

Machinery:Yamaha F200 outboard with power trim and tilt. Bow thruster for better manoeuvrability. Manual and electric bilge pumps. Diesel heating. Lenco trim tabs. Fuel capacity: 280L - with outside fill. Water capacity: 100L.
