Description

Available in Store: Fort Lauderdale

Looking for a Boat that can take you from your beach house to the horizon and back again? You just found it! This 2022 Ocean Craft Marine 8.4 M Amphibious offer you the ability to drive straight into the water without a hitch, and go to places that were previously considered inaccessible, and have a more expansive experience. Powered by Mercury 350HP outboard engine with electro hydraulic power steering and black color engine cowlings.

The helm includes VesselView 702 7" display with engine & vessel Telemetry integrated with multifunction displays, fly-by-wire DTS control Binnacle, Tilt helm wheel and installation and selector switches.

Other features are double futura center console with foward seat with small form factor smoked windscreen and grab railing, HD T-Top with black finish, swimmer folding ladder in the port side, polished pop-up mooring cleats, oxygen sensor, hydraulic system, hydraulic pump, custom marine coated wheel with offset to place load in optimum position, full system monitoring, self centering of steering wheel assembly, twin aluminum fuel tanks 82 total, Neoprene hypalon tube, triple fendering rub-strake on tubes, OCM custom double GRP bolster seat with back rest and under seat cooler storage on deck, u-bench seat and Aft Athwartship bench seating with back rest.

We're proud to showcase Ocean Craft Marine at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.

Engine 1

- Mercury
- Outboard 4 Stroke
- 350.00 HP
