## Wellcraft 44 Explorer

### Mercury 3x350HP V10

The Wellcraft 44 Explorer is a yacht designed for the most demanding adventurers, blending luxury, performance, and offshore capability. With a length of 44 feet, it offers ample space both on deck and within the interior, providing exceptional comfort for passengers. Its innovative and robust design, inspired by Wellcraft's rich offshore heritage, makes it ideal for long journeys and challenging conditions.

Equipped with the latest navigation technology and powerful engines, the Wellcraft 44 Explorer delivers a fast and safe boating experience, even in rough waters. The cabin features high-end finishes, well-designed social areas, and amenities that ensure enjoyable trips, whether for short or long distances. This model is designed for modern explorers who seek a balance of style, performance, and functionality, pushing the limits of the ocean with the confidence and pioneering spirit that defines Wellcraft.
